■ Invitation for support organizations

We seek support organizations interested in supporting and building relationships with the startups participating in the summit. We look for organizations which provides support such as;

- ① Investment and/or funding / introduction of a candidate company for collaboration
- ② Mentoring for legal compliance
- ③ Support for domestic startups to expand their business in foreign market
- ④ Support for foreign startups to expand their business in Japan
- ⑤ Offering a field for trials
- ⑧ Support for exposure to media and exhibition etc.

<How to Apply>

Please download and complete the application form by clicking on “Entrysheet_support organizations.xlsx” and sending your application to our designated e-mail address.

<Deadline for Application>

Noon on August 30 (Fri), 2019 (JST)

■ Invitation for collaborating events

We seek side event organizers to hold the contest, business-matching entities, and acceleration programs to kick-start the healthcare industry.

<Details>

We will mutually advertise events through various media platforms. In addition, we will promote business-matching by inviting startups to participate in your exhibitions and events. Especially, we welcome events/exhibitions that provide opportunities for the participation in the event for the participants of our event. We also welcome events/exhibitions which will be held in surrounding date of our event.

<How to Apply>

Please download and complete the application form by clicking on “Entrysheet_collaborating event.xlsx” and sending your application to our designated e-mail address.
